DECEMBER 2018

IN CASE YOU MISSED IT... GSC IS ENDING SCORECARD DISTRIBUTION

The distribution of Patient-Impact Scorecards from GSC will end this month. Starting in January 2019, pharmacy performance information will only be available through Pharmacy Quality Solutions (PQS). PQS provides access to pharmacy performance information through the subscription-based platform EQUIPP (or Electronic Quality Improvement Platform for Plans and Pharmacies). EQUIPP is a web-based platform that displays performance information along with opportunities for improvement.

To subscribe and gain access to EQUIPP, contact your corporate office or visit www.equipp.org to submit your inquiry using the "Support" link (located in the top and bottom right corners).
