IMPORTANT INFORMATION FOR PHARMACIES DISPENSING REMICADE

In keeping with our standard operating procedures, Green Shield Canada (GSC) undertakes regular reviews of its pricing policies for pharmacy providers. Based on the latest review, GSC will be making changes to the reimbursement structure for Remicade®.

Effective August 1, 2016, Remicade will be subject to a new maximum markup of 11% on manufacturer list price (MLP). Dispensing fees will remain unchanged.

As a reminder, note that the GSC pharmacy provider agreement does not permit balance billing to plan members.
