## Get paid faster!

EHS claim payments will be made monthly (about every four weeks). Payments via direct deposit are on a bi-weekly schedule (every two weeks) – see page 1. If you do not want to wait a month to receive payment (can't say we blame you), might we suggest a little thing called Direct Deposit? Direct Deposit means getting your money back faster (every two weeks versus every four weeks via cheque). It also means not having to wait in line at the bank, leaving you with more time to enjoy the things you love (an all-around win-win if you ask us). Not convinced Direct Deposit is for you?
