## Not on direct deposit? The time to switch is now!

Direct deposit means getting your money back faster (every two weeks versus every four weeks via cheque). It also means not having to wait in line at the bank, leaving you with more time to enjoy the things you love (an all-around win-win if you ask us). Not convinced direct deposit is for you? Bet you didn't know:

- Your banking information is always secure... guaranteed.
- Funds are never withdrawn from your account.
- Work in multiple locations? You can receive separate payments for each office you practice in.
- All providerConnect Carrier/Adjudicator/Third Party Payor payments will come to you via direct deposit.
- Your statements stay exactly the same and can be viewed or printed online.

## Get paid faster!

Claim payments will be issued monthly (about every four weeks). Payments via direct deposit are issued bi-weekly (every two weeks) – see page one. If you don't want to wait a month to receive payment (can't say we blame you), might we suggest direct deposit? Direct deposit means getting your money back faster (every two weeks versus every four weeks via cheque).
